### About Me

---

I am a graduate from the University of Cambridge, having previously focussed on history I am looking to turn my attention to the world of media production. This shift to producing has been in part facilitated by my work on video production whilst at university.

### Professional Experience

---

#### YouTube | Content Creator 2018– Present

Key responsibilities:

- Coming up with ideas that will resonate with an audience.
- Planning shot-lists
- Studying retention through story-telling. This was aided through undertaking the 'Creator Now' course
- Camera-work and videography using a range of cameras from go-pros, DSLR's to smartphones
- Communicating with brands and companies to negotiate deals for sponsorship

#### Freelance | Presenter 2022

Key responsibilities:

- Worked alongside a production company to deliver content for a business to promote their service on social media
- Ad-lib pieces to camera working solo and with others.

#### Freelance | Graphic Designer 2016–2019

Key responsibilities:

- Coming up with ideas for designs that would fit the branding of the business.
- Designing and managing websites for the customer

#### Marks and Spencer | Customer Assistant 2018–2019 & 2019–2020

Key responsibilities:

- Interacting and assisting customers on the shop floor.
- Completing paperwork for the operations of the store.
- Unloading lorries and picking stock to ensure the smooth running of the store

### Achievements

---
