Data Privacy Statement: I consent to the retention and distribution of this CV for the purpose of employment consideration. I understand that my data will be processed in accordance with applicable data protection regulations.

A young post-production trainee, newly graduated from Elstree Screen Arts Academy proficient with Adobe Suite and eager to learn other software and improve on my current experience in post-production houses, intending to pursue a career as an editor for film. My experience as a cafe assistant has helped me become better suited as a runner, giving me a varied skillset: Barista experience, experience working in a fast-paced environment, working as a part of a team, and excellent communication skills from dealing with customers and clients.
