Additional Information:

Jan 2024 - I attended BSCine's BSC x LSA "Introduction to Cinematography" weekend workshop at the London Screen Academy. The workshop covered camera, lighting, grip, DIT and colour and was taught by industry professionals.

Nov 2022 - Oct 2023 - I completed a 12-month traineeship with the NFTS as part of the Prime Video Craft Academy. During this time, I received training from industry professionals in various departments and worked as a trainee on both scripted and unscripted TV productions.

March - May 2023 - I completed an eight-week placement at CineArk where I learned about Digital Imaging Technician (DIT), video, and RF solution equipment. I was responsible for cleaning, testing, and organizing the equipment.

May 2022 - I completed a 4-day Film Loading course at Panavision where I learned how to load 16mm & 35mm films well as how to use Arri Alexa cameras (Arriflex 235 & 435, Arri SR3, Arricam LT) and Panaflex Millennium & Platinum models.
