Job Title: Camera Assistant/Trainee

ABOUT ME

Dynamic Camera Assistant/Trainee with a First Class BA (hons) degree in Film from Falmouth University. Shooting, assisting, sparking & data wrangling experience in Factual TV, Branded, Corporate and Digital content on location, both domestically and internationally, as well as in studio. I have worked on a diverse range of programming, from single cam VT's to multi-cam PSC reality shoots, and high pressure/quick turnover shoots with up to 7 cameras. I am a quick-learner, having picked up most of my assisting knowledge/skills whilst on the job. My multi-departmental experience as a runner, researcher and part of a production management team makes me an amazing asset to micro-crews on location. Own kit: Sony A7IV & Sony G OSS f4/24-105mm.
