Camera Trainee
Full, clean UK licence with own vehicle and happy to drive a van.

Personal Summary

University Film graduate keen to make the transition from amateur Camera Operator on independent projects to Camera Trainee working as part of a Drama production.

Skills

- Experience with a consumer level DSLR in video and photography, developed throughout personal projects.
- Edited and colour graded projects using DaVinci Resolve.
- Routinely backup and archive files/projects to be accessed easily.
- Knowledge of technical PC components, to help aid in setting up of systems and monitors.
- Ability to preserve professionalism within stressful environments, developed whilst working directly with the public, especially in the case of COVID-19.
- Maintained quality of shop as shift leader by assessing priority of responsibilities and completing in accordance to importance for optimised workflow.

Personal Experience

Filmed/edited a Le Miserables drama school production, July - Nov 2015.

Operated a three camera setup for multiple angles, colour matched for consistency. Worked with clients to match vision. Returned booked equipment with no issues.

Education

Edge Hill University - Bachelor of Arts: Film with Film Production 2:2

Training

Coronavirus Basic Awareness on Production Training (ScreenSkills, Expires 16.09.21)
Certificate code: JXBVFHU

Hobbies and Interests

I am currently learning Japanese, inspired by my interest in their culture. I also enjoy going for long runs, often achieving 10km distances. In terms of media, I am developing my colour grading skills and upload images/videos for shutterstock.
