🌐 Bristol, United Kingdom

Over the past 4 years, I have gained extensive experience as a video editor in the UK and Indian film industry. I am skilled in using Adobe Premiere Pro and Davinci Resolve. I have expertise in video codecs, file types, and compression techniques. Furthermore, I create high-quality videos that meet client expectations with my keen eye for detail and a creative approach to storytelling.

Experience

Video Editor (intern)

Troy TV & Film Production

Jun 2023 - July 2023

Bristol, UK

- Spearheaded the creation of a timeline for a Short Film, ensuring a cohesive narrative flow.
- Masterfully edited footage into a full-length cinematic experience and engaging montages.
