I have been a lighting cameraman/DoP for 34 years now, joining Channel 4 TV in 1990 ending up based at Right To Reply as a staff cameraman before going freelance in 1996. I am skilled in all genres of shooting and lighting from commercials and drama, documentary, corporate, live and OB/studio. I have shot all over the world and approach every job with same enthusiasm, skill and creativity. I am familiar with all cameras in use today. I own an extensive array of kit and have a CAA OA for flying drones. For more details and my showreel go to www.dtmuk.com and www.dtmuk.com/showreel
