Resourceful, committed PD with a passion for telling character led, human interest stories. Confident in sourcing archive, expert contributors, building relationships and assembling strong narratives.

My background has fostered an ability to liaise successfully with high profile individuals from diverse cultures and particularly from the world of sport. Assured producing and directing shoots across the continents including North and South America, the Caribbean, Asia and Oceania producing paper edits, scripting and assembling sequences. I have excellent experience in sourcing footage from major footage and stills archives including FIFA, UEFA and IOC.

Keen interest: Women's football, Gastronomy, Italian Cinema, Musicals
