Personal Objective

In me you will find a hardworking, driven, and focused individual. I always achieve 100% of my capability, whilst maintaining my professionalism. I wish to continue to grow as a person within my chosen profession of medicine & unit safety by continuing to learn and experience new challenges. I believe I am forward thinking and innovative and enjoy working as part of a team or as an individual. I also like to maintain a level of voluntary work thus putting something back into the community.
