## Personal Statement

With a sharp focus to detail and a hard-working conscientious work ethic to offer, my strongest body of work exemplifies my writing and directing skills suitable for the film and television industry.

## Industry Experience

**Idøle** TBC  
*Writer, Director*

An upcoming Anthology of Short Films under the Residency of Metal Arts Culture. Exploring the current perpetuated narratives that “*All people on benefits are lazy*” or “*superheroes*” that would capture often under-represented voices within the City of Peterborough, that in turn would resonate with other working class voices nationwide, both niche and universal in nature.

**Snapshot** April 2022  
*Writer, Director*

*Winner of Best International Short Film at Wigan & Leigh Film Festival 2022  
Official Selection at; North East International, Catalyst International, Romford & Mansfield Film Festival*

This 15 minute short film was funded by the British Film Institute and Film Hub North, and serves as my first professional credited debut. It accounts the story of an Autistic adult struggling to find employment and wade through the interview process.

## Self-Funded Experience

**Asperger's: And What Of It?** November 2016  
*Subject, Writer, Director, Editor*

This 4 minute introspective short film was created as part of a brief for The National Autistic Society's 'Autism Uncut' Film Festival competition. It was shortlisted as a Finalist in the Aspiring Filmmakers category. Shared on Social Media shortly after, it became one of the most engaged and discussed videos.

## Key Skills

- Sufficient knowledge with Final Draft and CeltX and scriptwriting skills.
- Assertive Directing of Cast and Crew.
- Screenskills Certified
- Exemplary knowledge and experience with Adobe Creative Suite and Final Cut Pro.
- Excellent computer literacy, timekeeping and organisational skills.
