SUMMARY

A passionate filmmaker with a drive to learn, a desire to tell stories and enthusiastic about working in a creative environment.

EXPERIENCE

Locations Assistant - ITV Studios - Coronation Street — April 2022- April 2024

I am responsible for assisting in the running of various locations. This involved supporting the location manager, guiding the crew to park their vehicles, setting up green rooms, communicating with the cast and the general public, handling paperwork, arranging equipment, and ensuring that the location was cleaned up properly after filming.

Film Production Assistant, Deerstalker Films — May 2021 - Nov 2021

Holding responsibility over a wide variety of tasks across all aspects of the production, such as including directing, sound mixing and editing. Supervising setup and operation of production equipment, maintain production records, and hire equipment.

Stills Photographer, Wordplay Studios - April 2021

Taking photographs of film sets or studio shoots that are used to create the press and publicity for the company's output, like their most recent music video, [Move and Sway by MOBO Award winning artist Triple O.](#)
