- Filming in a studio
- News gathering
- Outdoor filming and location shoots
- Multi-camera setup
- Production workflow
- Shot design
- Documentary filming
- Directing short films/music videos
- Producing
- Cinematic lighting
- Editing
- Colour grading
- Sound effects and dialogue replacement
- Titling and effects

### **Further Information**

ERP solutions I have worked on are:

- Visio
- MS Office
- Adobe Premium Pro

Looking for an opportunity to enrich my practical knowledge and hand-on skills whilst working with experienced crew in Manchester/Greater Manchester region ideally. However willing to travel further afield if required.
