I will be graduating from my three-year BA in English at the University of Cambridge at the end of June 2024. I am seeking employment that would begin at any point from 1st July 2024 onwards.

Previous Employment

Outreach Helper for University of Cambridge Open Days – July 2023; February 2024; March 2024

I often do casual work helping at my college at university's open days. I greet prospective students and their families, sit on a Q&A panel of current students and lead guided tours around my college campus. During these tours, I address groups of between ten and thirty people, giving them both administrative and anecdotal information about the college and leading them to the key features. There are many tour groups running at the same time, so I often have to think on my feet, picking the best routes to avoid bottlenecks whilst keeping the crowd entertained and answering questions in a detailed and enthusiastic way.

Front-of-House Usher for the Stephen Joseph Theatre – September 2019-June 2021.

My responsibilities included checking and scanning tickets, directing and assisting customers to their seats, selling refreshments and programmes (handling both cash and card payments), small preparations of refreshments (i.e. making filter coffee and tea), using radios to communicate with the Duty Manager, helping customers with additional access needs, assisting with fire evacuations, cleaning the theatre and dealing with complaints politely and professionally.

Consultant for Pilot Theatre – December 2020.

I was part of a focus group of young people who advised the creatives on an upcoming project aimed at young, marginalised people.

Volunteering Experience

President of Christ's College, Cambridge's Amateur Dramatics Society and Board Games Society – September 2022-present

Both of these positions, as well as my experience directing student theatre productions, gave me experience in leading a team, being administratively organised and handling budgets (i.e. keeping track of receipts and expenses and deciding what proportion of our budget is set aside for funding various productions and/or events)

Front-of-House Steward and Box Office Assistant for the student theatres ADC and Corpus Playroom – September 2021-present.

Due to my experience at the Stephen Joseph Theatre, I often work in a more senior role amongst the other volunteers, giving advice to newer stewards and taking on more complicated responsibilities on the front desk, selling and refunding tickets, for example. They also trained me on how to use Spektrix software.

Training

4skills Virtual Work Experience Course – September 2023

Please see my ScreenSkills profile for other training courses I have completed:

Writing Experience

I wrote my first theatrical piece in February 2019, a 10-minute two-hander performed as part of my local youth theatre's new writing festival. Whilst at university, I've expanded and honed my skills, writing and directing a one-act play that had a week-long run at our student theatre, writing and editing various sketch and stand-up comedy shows and writing and performing my debut solo stand-up comedy hour. Please see this page for a complete list of my theatrical writing experience while at university:
