Employment

Sept 2023 Creative Camera Co, Worked as Trainee AC on the Aldi Christmas Commercial

Working in studio with intricate lighting setups and camera rigging for crane, also prepping lenses and organising media dumps. When I worked here, I managed to get hands on with many industry standard cameras, e.g. Phantom, Alexa 35, Leica Summicron glass.

2022 - 2023, Gaynor Sports, Ambleside, Sales Assistant

I advise customers and sell a variety of outdoor and cycling equipment. My role requires undertaking high-value transaction and fulfilling customer's needs.

2020 - 2022, Windermere Wakesurfing,

Wake-surf Coach

I coach clients of different abilities, from first-time to more experienced riders. I manage bookings, drive and maintain boats to ensure a safe and enjoyable experience.

2019 - 2020, Windermere Lake Cruises, Boat Crew

I worked as a crew member on various tour boats based on Windermere, responsible for the safety and well-being of customers on large boats, plus managing ticket sales.

2017 - 2019, Nitecrest Ltd, Warehouse Staff

I worked as a member of the warehouse team. My role required a range of tasks, assisting the general manager and managing disposal of bank cards and personal data.

A freelance cinematographer based in the Lancashire available to work all around the country and including Europe. I primarily work in the outdoor sector yet have worked in studio as a Trainee AC.

I enjoy creating documentaries and capturing natural landscapes and regularly film and edit content for a professional cycling channel. I am interested in analogue media, 35mm photography and 16mm motion picture. I am a keen water sports enthusiast and mountain biker.
