EXPERIENCE

Production Runner, "Bidding Wars", Daisybeck, Channel 4 Aug 2021 – Sept 2021

- This was for the very first season of "Bidding Wars"; so it was an exciting and busy time on set. I spent much of my time dealing with the needs of contributors and driving out for supply runs, be it for production office equipment or food/snacks for crew or contributors.

Production Runner, "The Bidding Room", Ricochet, BBC 1 July 2021 – Aug 2021

- For season four I was a Runner on the set of The Bidding Room. I helped with the movement of each item used by contributors, assisted in the organization of the contributors and helped in general tasks asked of me on the day to day.

Runner/Driver, Paper Films June 2021

- For this two day shoot I was the Runner/Driver for a corporate video in which they explained how to safely return to work with new covid friendly offices. This was a great first role and I learnt a lot from the small crew that were on site.

Company Director, M.C. Productions Ltd Oct 2020 – Present

- In preparation of an upcoming short film I am looking to direct; I started my own production company which I run entirely and collaborate with other creatives on my own and other people's projects.

Labourer, Hopkins Construction June 2015 – Aug 2018

- This allowed me to gain a valuable insight into daily hard labour, albeit, on a building site. I would be on my feet all day with much of the job heavy lifting so helping with the on set equipment would be something I can do.
