Portfolio - <https://www.youtube.com/channel/UCWqkwYTailwvD2yu45HJofQ>

I recently completed a BH degree in film studies, I am seeking to further develop my career in the film and television industry. I am looking for opportunities to work in a production environment.

### **Skills:**

#### Personal Skills

- I am passionate, punctual, ambitious, determined, loyal, open minded and adaptable. I am a strong communicator and thrive in team work settings.
- I am musically inclined, having played the piano for most of my life, I can recreate any tune to a particular extent (perfect pitch).
- I am a licensed driver with a clean license and no claims.

#### Technical Skills

- Canon C100
- Sony A7R Mk IV
- LYKOS daylight LED lighting equipment
- Nanlite Pavotubes
- Boom Microphone with pole
- Lapel Microphone
- Premier Pro
- iMovie

### **Industry Experience:**

#### **Reckless Kid Films – Camera Trainee/Runner - *Bag For Life* Short Film - April 2023**

For this role, it was my responsibility to assist the camera crew with setting up, organising and moving equipment, as well as assisting with lighting, specifically using reflector flags. I also operated the clapper board and received training from The Focus Puller and Clapper loader, and generally helping the 12 hour shoot days go as smoothly as possible.

#### **Hurricane Films Internship – Littlewoods Heritage Project - May – Jun 2022**

For this internship I Transcribed interviews and then edited said interviews on Adobe premiere pro. I also carried out duties on location; I operated a boom microphone when shooting interviews as well as setting up LYKOS daylight LED lighting equipment.

### **Other Employment History**
