Personal Qualities

I bring creativity, enthusiasm and problem-solving skills to every role I have. I manage my time efficiently and am an excellent communicator and team player with a drive to excel in everything I do. I have a large range of creative design and practical skills that I am eager to bring to the TV and film industry. I learn new skills quickly and am keen to do so always ensuring quality. I also have a lot of patience, am reliable and am very adaptable. I am easy to get on with and enjoy getting to know new people.
