PROFESSIONAL MEDIA EXPERIENCE

2018 – 2021 **Senior Editor, MTV.** Responsibility for coherence of tone and editing style across MTV's in-house Music programming as well as designing graphics packages, editing and grading premium shows including the iconic Making The Video. Training and mentoring junior editors in all aspects of post production.

2016 – 2018 **Editor, Remedy Productions.** Editing and delivering content across the MTV slate and development team for Remedy. Developing and creating graphics packages for linear and non-linear programming and training other staff editors in use of Adobe Creative Suite.

2015 – 2016 **News Editor, Remedy Productions.** Editing and delivering the daily MTV news programme on Avid. Creating custom graphics and animation packages using After Effects and Photoshop.

2013 – 2015 **MCR Manager, Envy Post Production.** Managing Envy's largest offline editing building at Foley Street comprising of 40+ Avid cutting rooms and an MCR that operated 24/7.

2011 - 2013 **Offline Assistant, Envy Post Production, London.** Key responsibilities included ingesting rushes, assisting editors with technical issues and solving problems for clients quickly and efficiently. Exporting, uploading and delivering cuts via FTP.

2008 – 2010 **Post Production Assistant, Exposure Post Production, London.** Provided technical support to editors as well as assisted production staff, managed and coordinated runners. Covering for the in house editors when appropriate as well as editing projects of my own with clients on FCP.
