- Colour Correction

EXPERIENCE

EDIT ASSISTANT

Whisper

2024 - Present

Contributed to a 6-episode Netflix documentary series chronicling the Saudi Pro League season, following teams like Al Hilal and Al Nassr. Supported the editing team through daily tasks including digital ingestion and generating synchronized logs of camera rushes. This role provided close exposure to the production process for a major sports documentary series featuring high-profile players like Cristiano Ronaldo and Neymar.

CINEMATOGRAPHER

Freelance

2020 - 2024

Cultivated a strong foundation in cinematography through camera assisting and trainee roles on short films and HETV productions. Leveraged this experience to create visually compelling short-form content and advertisements for a range of well-recognized brands, demonstrating a keen understanding of lighting, composition, and camera movement to engage viewers.

CONTENT PRODUCER

Engage Digital Partners

The Saudi Cup

2019 - 2020

We created a brand new Arabic social media presence for The Saudi Cup. This campaign was a huge success, reaching over 30 million people and generating over 4.1 million video views in just five months. By the end, The Saudi Cup's Arabic social channels had even surpassed the world's most-viewed horse racing channel, World Horse Racing, in terms of both video views (4.1 million vs 3.2 million) and followers (23,000 vs 15,000) at the same point in their launch.
