## Personal Profile

A conscientious, hardworking and self-motivated Film Production Technology graduate with a keen interest in working in the media industries. Has successfully led and delivered projects, being highly organised and efficient. Has effective team working with experience in networking with internal and external stakeholders and using own initiative to resolve issues. Excellent communicator with a warm and empathetic approach and able to build good relationships with others. I have a flexible approach to work with good attention to detail.

## Skills and Achievements

- Successfully delivered a student film festival for University module.

- Won the Confetti Institute of Creative Technologies 2025 Student of the Year Award for the third year of degree (Film Production Technology).
- Won the Confetti Institute of Creative Technologies 2024 Do It For Real Award for the second year of degree (Film Production Technology) as well as overall prize for all second year students at Confetti.
- Won the Confetti Institute of Creative Technologies 2023 Rising Star Award for the first year of degree (Film Production Technology).
- Successfully directed/produced five assessed short films, two music videos and promos for various charities for my degree course.

## **Organisational, Problem Solving and Leadership Skills**

- Fulfilled the leadership role in university group coursework, for example, student film festival, and successfully produced and directed several assessed short films as well as other university projects.
- Excellent organisational skills; managed casting calls for short films, scheduling, and location scouting, often within short deadlines, and took on the role of Events Officer for University Swift Society.
- Uses initiative to resolve potential problems, for example on film sets. Devised and implemented a new process for managing food orders at Jigsaw Youth Club, which led to a more efficient use of time and less food wastage.

## **Communication, Team Working and Customer Service**

- Excellent written and verbal communication skills with the ability to communicate and interact with a variety of individuals, as developed through University and work experience.
- Good team working skills demonstrated through various activities during degree course and at School (Girl Guiding Baden Powell Award, Duke of Edinburgh and House Drama), University (course work), Youth and retail work.
- Builds rapport with co-workers and customers, ensuring their expectations are met.

## **Time Management and Attention to Detail**

- Effective time management and punctuality, and ensures strict deadlines are met, as required during University studies, and work experience.
- Strong attention to detail as developed through studies and work.

## **IT skills**

- Competent in the use of Microsoft Office applications (e.g. Outlook, Word, Excel and PowerPoint).
- Has practice in the use of editing software Da Vinci Resolve. Has some experience with Avid Media Composer.
- Proficient in the use of the Internet, including social media such as Instagram.

## **Interests**

I enjoy meeting new people and in my spare time I love reading novels, listening to music, watching TV, watching films (at home and at the cinema) and going to the theatre. I also initiated and run a Film Club for friends.
