Royal Air Force Air Cadets

Squadron 1322, Newton Abbot.

I attended Air Cadets for about 2¼ years and have taken part in all main activities. At the end of 2016 I was given an award for the most improved cadet. I also took part in the sporting events in which we placed 4th out of all Devon and Cornwall squadrons. I passed 1st Class training and moved on to leadership, which was the next step. I was also part of the Girls' Shooting team, we would go to events and participate in the competitions.
