

Hello, I'm Benedite Wanya

– Camera and Lighting Assistant.

About Me

3rd Year Film Production student at Arts University Bournemouth. A confident worker experienced in the camera and lighting department; working in fast-paced environments, managing tight deadlines and providing a can-do attitude. Team-focused with a proactive approach to challenges, constantly seeking new opportunities to expand skills and knowledge.

Competences

I specialise in Lighting Design, creating lighting plans alongside the Director of Photography, with professional knowledge in industry leading tools including ARRI Camera and Lighting equipment. I have experience roles such as 1st & 2nd camera assistant as well as gaffer and chief lighting technician. My academic background has honed my time management abilities and ensured my proficiency in setting up equipment while adhering to health and safety regulations.
