Personal profile

Friendly and trustworthy individual, who has received excellent grades in my English and maths exams. Creative with a keen interest in music, currently searching for work to improve my skills and knowledge in the workplace. I have a very good work ethic, dedicated to customer care, and can work well advice part of a team or using my own initiative. Computer literate, proficient in the use of Microsoft office, social media.

Awareness of health and safety and equality at work policies and procedures.

Skills

I have gained certain skills from working in such environments like: general labouring, IT Skills, good communication skills, independence, general pub work (I.e. Cellar/ Barrel experience).

I also gained certain skills in live events such as rigging, sound, lighting and video.

Work Experience

- Bartender @ Ossett Brewery sowerby bridge (December 2018 to September 2019)
 - Worked in a previous pub before hand (July - November 2019) where I took part in a trainee course which included learning skills such as:
 - cellar work (e.g.) changing barrels, cleaning beer lines etc.
 - Basic knowledge behind the bar, pulling pints (hand pumps and draughts), till work etc.
 - Customer service skills
 - Waitering (taking food orders, and taking food to customers)
- Labouring
 - Self employed - Halifax (June 2017 to July 2018)
 - My work experience includes:
 - general construction labouring work including skills such as heavy lifting, working with tools and machinery.

Education

Ryburn Valley High School

GCSE grades

- English: 5
- Maths: 4
- Film studies: A
- Level 2 BTEC business: Distinction
- Science (core): C
- Geography: C

Additional qualifications and Work Experience:

- Level 2 catering and Hospitality course with the apprenticeship company, Qube
- Live Events Skills Bootcamp (Certificate below) @ The Academy Of Live Technology

Additional information and Hobbies

My hobbies include music. I play a range of instruments but guitar is my go too. I have played guitar on my local radio station (Phoenix Radio - July 2019) and have experience playing with professional musicians. I enjoy lots of outdoor activities including hiking and camping. I also enjoy photography.
