

BEN SCRASE

LIGHTING & CAMERA

Benjamin.Scrase@gmail.com
BenjaminScrase.co.uk
+44(0) 7790270144

I have worked on diverse projects across the globe, filming documentaries with Olympic athletes and collaborating on award-winning films. My focus is on creating visually immersive cinematic experiences by perfecting shots and lighting. With 12 years of experience, my own extensive lighting and camera equipment and a passion for cinematography, I am confident I can deliver whatever the project.
