Website: <https://www.bjarnifelix.com>

Bjarni Felix is an experienced cinematographer with close to 30 years of experience in film, television and commercials. He began his career in film as a gaffer turned AC. The past decade Bjarni has focused solely on cinematography. Bjarni studied Art History at the University of Vienna in the late eighties prior to his entry into film making, where he found his passion. From 2024, Bjarni divides his time between Iceland and the UK.
