Profile

I recently graduated from Arts University Bournemouth with a 2.1 honours degree in Costume where I specialised in Costume Supervision and Wardrobe management, gaining skills in script breakdown, budget management, costume fittings and record keeping with Microsoft Excel. I enjoy working as part of a team and independently, and have had experience supervising and dressing dance and theatre shows. I have recently gained further experience with backstage pressures when dressing the child dancers for the Birmingham Royal Ballet company's performance of the Nutcracker, including quick changes and helping with Get-Outs.
