## EDUCATION

### PROFILE

I am an aspiring Cinematographer newly graduated from University. I love the collaborative filmmaking process and possess a real hunger to both hone my craft and gain more experience behind the camera. Moreover, I am an experienced runner and camera rigger with a number of credits as an AC and small time cinematographer.

University of York

2021-2024

Film & Television Production 2:1

Division One (BSc)

2022 | Camera Rigging & Running with EMG UK (Formerly CTV) for Sky Sports Cricket

- Developed a strong operational and technical knowledge of the camera by building rigs and assisting cameramen.

2020-23 | Professional Videography

- I created promotional content and creative match highlights for WWFC socials & YouTube
- Last summer I shot my first wedding video and covered Oxfordshire based music festival, Rokefest.

2023-2024 | Camera department

- Experience as a 1st & 2nd AC on BFI funded short films outside of university including 'The Sleepover' (2023) and Varnished (TBC)
- Since graduating I've shot reshoots for a high profile documentary for Twins Film Production which is set to debut at the Berlin film festival in 2025
- Numerous credits as a DoP for student films resulting in a nomination for the upcoming GTC's Bill Vinten award for cinematography as well as 2x Nominations and 1x winner of 'Best Cinematography' at York's LUMA film festival.
