I am a highly motivated, approachable and outgoing Mathematics graduate with an upbeat personality and a great interest and desire to work in the arts. I have exceptional customer service experience and an ability to communicate with people of all ages. Proven to be able to adapt to all situations and with a keen desire to learn, I am looking for a role in production or locations in film and TV.

EXPERIENCE

LOCATIONS MARSHALL

Quay Street Productions - Lazarus

JANUARY 2024 - JUNE 2024

I worked as a location marshall with Quay Street Productions for 6 months. Although I was initially booked as a daily for 2 dates, I continued to work with the team for the entire production and established myself in my role and found a place for myself with the crew.

Elstree Studios - Hamnet

AUGUST - SEPTEMBER 2024

Working as a daily with the locations department for local shooting around Gloucestershire and London.

RESIDENT THEATRE MAKER

Made in Bristol - Bristol Old Vic

SEPTEMBER 2019 - SEPTEMBER 2020

Made in Bristol is a year-long programme run by Bristol Old Vic which gives young theatre-makers (18-25 year olds) an opportunity to train together, become workshop leaders, facilitators and theatre makers. This course results in a devising process in which we had the opportunity to create our own theatre company and perform a play, written by ourselves, on the Bristol Old Vic stage. I managed the marketing for our theatre company and the social media accounts for advertising.

YOUNG COMPANY ASSISTANT

Bristol Old Vic

SEPTEMBER 2019 - MARCH 2020

Working as a young company assistant meant I worked alongside the leader in weekly sessions. Our sessions revolved around creative play, making theatre accessible to all and the promotion of arts in our youth.

HAIIVE INTERNATIONAL

Extra-curricular activity - University of Liverpool

OCTOBER 2023 - PRESENT

I am currently working with students from York University (Canada) and Lausanne University (Switzerland) on a project for KM Risk Consultancy in Canada. We are working together to develop a report on social risk, a

Mathematical Modelling
Critical Thinking
Presentation
Data Analysis
Coding - Rstudio, MatLab
Microsoft Office

methodology to measure and assess, and how corporations can manage the risks present in a constantly evolving community.

SWIM TEACHER

Active Lifestyle centres – Bradley Stoke
Total Swimming Academy – Liverpool

FEBRUARY 2020 – CURRENT

As a swimming teacher I have extensive experience working with children and adults in an instructive environment. I design a variety of lessons to cater to different ages and target certain areas for improvement, whilst promoting the development of core motor skills and a desire to learn through an encouraging atmosphere.

BARTENDER / WAITRESS

Mission Mars: Rudy's Pizzeria – Liverpool, The Coconut Tree – Bristol
GPO Food Hall – Liverpool, Off to Work Agency – Bristol

MARCH 2021 – CURRENT

With over 2 years experience in the hospitality industry, I possess excellent mixology knowledge and customer service skills. Working for different companies and upholding each of their values, I have a proven ability to adapt to new environments and to my surrounding workforce. Carrying out additional housekeeping duties requires me to maintain professionalism whilst multitasking in a fast-paced, dynamic environment. Having assisted in the opening of a new Rudy's branch in Liverpool, I had to aid with the training of new employees, due to my prior knowledge of the company and their ethos. Furthermore, I have a keen eye for detail and can remain calm under pressure.

LEISURE ASSISTANT

Active Lifestyle centres – Bradley Stoke

FEBRUARY 2018 – AUGUST 2020

Lifeguarding was the main focus of my job, however I worked across the leisure centre maintaining cleanliness, setting up equipment for sport sessions or parties and carrying out tasks for customer satisfaction. I also worked as a session leader in the Xheight Adventure climb for children above the ages of 4.
