

**PROFILE**

A highly experience compliance professional with specialist skills in event safety, but equally comfortable in general business practice safety. Holding postgraduate qualifications in Environmental Health as well as being a Chartered Safety & Health Practitioner. Able to relate to frontline workforce and guide board of directors. Self motivated and able to work under own initiative, confident in high pressure and complex decision making.

**EMPLOYER & CUSTOMER COMMENTS**

“Calvin has an exceptional ability to grasp in a very short time onsite the essentials not only of the organisation itself but of the personalities who make it what it is. He has considerable ability to assess information, policies and procedures and advise on them”

“Calvin was invited to review a complex and tangled situation. He brought clarity and works in an incisive way”

“Thank you so much for taking care of all our compliance. We know we can trust you, that you act in our best interests and keep your advice proportionate”

“Your laid back but professional attitude made working with you very straightforward”
