PROJECTS

'Whitehead' (Student Short Film) — Director

'Whitehead' was a mockumentary short film that I directed in 2023. The film was based around a fictional ex-football hot prospect (Gordon Whitehead) who was struggling to move on from his failed career and turned to drugs and alcohol for comfort. The film was nominated for best student film at the UCIFEST 14 Film festival.

TESSUTI | Sales & stockroom assistant

June 2022-June 2024 Liverpool, UK

This was a predominantly customer facing role in which I was required to approach and actively sell clothes and shoes to customers by utilising various customer service techniques, product knowledge and a friendly and informative personality. This required strong communication over a radio system and teamwork skills as these duties were required to be completed during incredibly busy periods where multiple tasks were managed at a single time.

M&S | Operations Assistant

October 2018- December 2020 Sprucefield, Northern Ireland

My duties were mainly focused on the background operations of the flagship store which included stock rotation, general maintenance, key holding responsibilities and liaising with sales floor staff in order to supply stock relative to demand during busy periods such as Christmas.

SOHO (Night club) | Bartender

June 2024- present Liverpool, UK

In an intensely high paced and customer facing role, my duties predominantly involve serving countless customers in one of Liverpool's busiest clubs. As such, shifts are long and frequently run until 4am-5am.
