## About me

I am currently looking for Assistant Art Director or draughtsman roles. Over the past 5 years i've had multiple opportunities to try out varying roles within the art department, growing my skills and honing my interests. I enjoy location work and have experience in surveying, intentions, as well as overseeing the installation of set pieces and re-instatements of properties. Other experiences includes working as the 2nd unit Standby Art Director while also fulfilling my art department assistant duties, I thrived on the high pressure environment and enjoyed the challenge of juggling various roles and expectations.

I have a clean drivers licence and ULEZ compliant car. I am also happy to relocate for the job should it be required.

Bases in Bristol, South Wales, North Yorkshire and London
