April - June 2024: Sustainability Coordinator Training for Scripted Productions

Institute for Environmental Management and Assessment

November 2023 - March 2024: Certificate in Environmental Management and Assessment

Nicole has lived in Europe, Africa, South East Asia, the Middle East and Central America, working as a teacher and an international school leader. Travelling abroad has enabled her to learn languages, explore natural beauty and develop intercultural competence.

She returned to the UK in 2023 to train in environmental management (IEMA) and make her home in Eryri, Wales. Nicole completed Media Cymru's sustainability coordinator training to be a green catalyst within Wales's screen sector: she envisions an industry where everyone involved in productions – from suppliers to runners, HODs, producers and investors – feels empowered to take action towards a more sustainable future.
