

# ALYSSA WATSON

## Runner

07834748126

xalyssaxwatson@gmail.com

Based in London/Kent

As a recent Television Production graduate, I am currently looking for an entry level role within TV to extend my knowledge and practical skills. I am a confident, focused, and self-motivated individual and have effective communication skills. With the skills that I have gained during university in all aspects of production, I am particularly interested in perusing a career in the camera department.

### Key Skills

- Full, Clean Driving Licence and Car
- Cash Handling
- Basic knowledge in Adobe Premiere and Photoshop
- Experience with live outside broadcasting and transcribing
- Covid-19 Basic Awareness Certificate
- Keen eye for detail
- IT Skills - All Microsoft software and Zoom/Teams
- Experience shooting on Panasonic DVX200 4K

### Credits

Production Assistant | Terrific Television | November 2021

Studio Runner | Nick Copes Popcast and HOW | Terrific Television | October 2021

Location Runner | HOW | Terrific Television | September 2021

Office Runner/Buyer | Makery | Terrific Television | August 2021

Camera Assistant | Aldington Races | Scott Davey Media | April 2021

- Assisted the crew setting up the cameras around the track, operating on a Panasonic DVX200 Live throughout the 6 races
- Responsible for collection and care of camera equipment

Transcriber | Documentary Interview | Beth Turrell | June 2020

- Involved listening and typing skills for quick turnaround
- Great attention to detail and grammar

Stand In | Take Me Out | Thames TV | November 2018

### Education

University for the Creative Arts - Television Production BA (Hons) (September 2018 - May 2021)

- DoP for Final Major Project and other units
- Sound operating – Clip mics, boom pole, Live studio mixing
- Genres: Studio, Documentary, Sports, Drama, Thriller, News

### Other Experiences

Pets Corner | Sales Assistant | June 2019 – Present
