Personal Profile:

I'm a passionate media professional seeking an entry-level editorial role in the Film and Television Industry. I have been presented numerous production opportunities both during my time in education and over my career. While these opportunities cover film, theatre and commercial, they have helped me identify a craving for creativity as well as the understanding of the creation process. They have also shaped my attention to detail and my ability to charismatically manage a group of individuals to craft a safe collaborative environment.
