ABOUT ME

I am currently in my third and final year at Bath Spa University, studying Film, TV and Digital Production.

While studying, I am eager and passionate to start in the TV industry. I am seeking runner opportunities that will allow me to gain invaluable skills and experience. Happy to clean toilets and sweep floors if it gets my foot in the door.

EXPERIENCE

WIDCOMBE SOCIAL CLUB BATH | 18TH MAY 2021

During my second year at University I took part in multiple events. One event was a comedy show at the Widcombe Social Club in Bath. I acted in the role of Runner and queued the VT's to play at the correct time.

THE FORUM BATH | MOTHER TONGUE | 30TH APRIL 2021

I went to The Forum to help film a Theatre production; Mother Tongue. I was in the role of Runner and aided the camera operators mostly if they had any issues.

THE REC BATH | 16TH NOVEMBER 2019

I spent a day with Sunset+Vine at a Rugby match at the Rec in Bath and helped with the pitch side interviews.

TEDx BATH | NOVEMBER 2021

Over the span of 3 days I aided TEDx in a pre-record session with 4 speakers along with two evenings at the Locksbrook Campus in Bath. My main role was runner for the two main events but my role for the pre-record was Floor Manager, we had a variety of people come into the studio so my goal was to make everyone feel comfortable in the studio setting as it was very new to some of them. I also shadowed the Floor Manager with Suited & Booted Studios.

MONKTON COMBE SCHOOL | BRONTE OB

I went with my University film crew, we took an OB kit to the school and filmed a play in the traverse. I was in the role of camera (Sony X70), this was a challenging experience as we were just told to hunt for the best shots possible. This was a particularly special opportunity for me as I studied at Monkton for 6 years of my life. It was a pleasure to return and film one of their plays.

THE DIANA ROSS STORY | THE FORUM

The World's Premier show in celebration of DIANA ROSS and THE SUPREMES. I acted as Camera Assistant during this show.

SKILLS & TRAINING

- Full, Clean driving licence
- ScreenSkills Coronavirus Basic Awareness on Production Training

PAST JOBS

RESTAURANT KITCHEN ASSISTANT | THE LONGS ARMS | 06/2015 - 02/2016

In this role I had the responsibility of keeping the kitchen clean for the head chef. While I was there I gained an appreciation for a strong work ethic, I believe this is one of the most important things when hiring someone, making sure they will be fully invested in the job role.

HOUSEKEEPER | THE PEAR TREE INN | 15TH AUGUST 2018 TO 15TH NOVEMBER 2018

In this job I had to learn quickly and ensure that everything was tidy and I had performed all the necessary daily tasks. The Inn is very proud of its reputation and of part of the team we are driven to very high standards.

HOUSEKEEPER / CLEANER | SALLY NARROWBOATS | MAY 2019 TO NOVEMBER 2019

My role involved cleaning the Narrowboats, re-stocking and organising the stockroom. Most of my shifts were 8 hours or more and it was a very physical job as you have to transport everything you need from the stockroom to each boat you are working on that day.
