I'm a recent graduate from the West of England Film/HETV Workforce Development Programme and looking forward to building a career in film and television. After 6 years in recruitment, I've decided to follow my passions and focus on an industry I'm genuinely excited to be a part of. I have recent experience as a Locations Marshall and starting as a Locations Trainee in November with 60FORTY. I am Bristol based with a car, a full driving licence, and I'm happy to travel.
