PROFILE

With over 17 years of experience as a photographic stylist, I am passionate about creating stunning visuals for various media platforms. My core competencies include baking & food styling, interior styling, content creation, and prop making. I have a keen eye for detail and enjoy applying my artistic skills and knowledge to different projects and challenges.

I am always eager to learn new techniques and trends, and to collaborate with other creative professionals and clients. I value quality, innovation, and diversity in my work, and I strive to deliver engaging and memorable experiences for audiences.

I am hard working with excellent time management skills, and I can work independently or as part of a team. I am always looking for new opportunities to showcase my creativity and talent, and to expand my portfolio and network in the film & TV industry.
