Hi, I'm Maisie Jude Husband, an actor based in the UK. I've had the opportunity to work with industry professionals during my work experience with Sunderland Culture and Talk2Dan, and I starred as the main character in a student film trailer. Originally from Durham, I grew up in a small village where I developed a passion for storytelling and the art of acting. When I'm not working, I enjoy learning languages—currently Spanish—as well as doing Running, sewing and playing tennis. With a dedication to my craft and a love for creative expression, I strive to bring authenticity and enthusiasm to every project I undertake.
