Profile

I am a 21-year-old male with a strong work ethic, and take great pride in the work I complete. I have developed fantastic active listening and interpersonal skills throughout group projects I have worked on. I understand the importance of clear communication with my peers, in order to fulfil an amazing customer experience in time-pressured situations. I also host great computer and problem-solving skills thanks to courses and hobbies I have undertaken, thus allowing me to become a quickly adept operator on company systems. I am now seeking a challenging role where I can develop and thrive amongst other skilled individuals.

Education

University of Salford, Greater Manchester (September 2019 – Present)

I am currently studying BA (Hons) Post Production & VFX at the University of Salford.

Predicted a first class degree

Throughout this course, I have been working collaboratively with fellow course mates on industry standard briefs to produce professional, engaging multimedia content. I have developed an in-depth understanding of the critical workflows that exist between software, allowing me to deliver an exceptional end-product for clients within the given time constraints. I have already completed live briefs for Chester Zoo and JAR Post, amongst other projects I have undertaken.

Software experience includes: Adobe Premiere Pro & After Effects, Avid Media Composer, Nuke, Autodesk Maya, and DaVinci Resolve.

Wyke College, Hull (September 2017 – June 2019)

At Wyke Sixth Form College I achieved:

A Level Biology: **A**

A Level Geography: **A**

A Level Core Maths: **A**

BTEC Level 3 Creative Digital Media Production: **Distinction***

Malet Lambert, Hull – GCSE (September 2012 – June 2017)

I achieved **9 GCSEs A* to C**, including English, Maths and Science

I also achieved a **Distinction* L2** (Equivalent to an A*) in Digital iMedia, and I achieved a **Distinction* ECDL certificate** in IT Application.
