PERSONAL STATEMENT

Experienced video producer, manager, coordinator and editor for commercials, documentaries, promotional videos, and branded content, as well as having over 10 years experience as an events and operations manager. Capable of executing high-level productions and projects successfully by maintaining clear communication throughout, managing budgets, monitoring scope, helping others achieve creative vision, meticulous attention to detail and dependable client delivery. I am a proactive supporter of diverse, eco-friendly and inclusive projects and take pleasure in problem solving and multi-tasking within creative industries. [Please feel free to view my showreel.](#)

SKILLS & EXPERIENCE

PROJECT MANAGEMENT

Producing videos requires me to oversee an entire project from conception through to delivery using tools to create seamless process, working with different teams to set the scope, and manage planning with the client and creative team. I help produce creative ideas and help different departments turn them into reality by working across a broad range of processes and deliverables. My skills and experience have made me proficient in:

- *Time Management* - Ability to effectively prioritise tasks, manage deadlines, optimise projects schedules, minimise delays, schedule contractors and hires, and maximise efficiency.
- *Change Management* - Capability to manage changes to project scope, schedule and budget while minimising disruption and maintaining morale.
- *Quality Management* - Understanding of expected quality and principles to make sure productions meet or exceed client and consumer expectations.

BUDGETING

I am an accomplished budget negotiator, planner and manager with experience in seeking out the most cost-effective ways to execute projects. By mitigating risks and escalating budget issues, reporting progress and financial updates to clients, and keeping a firm handle on all expenditures, I have had success in finishing many productions under budget. My skills and experience have made me proficient in:

- *Budget planning* - Skill in developing comprehensive budgets that account for all relevant expenses including hires, materials, subcontractors, travel, sustenance, and personal costs. Proficiency in monitoring project expenditures against budget, identifying variance and implementing corrective actions.
- *Budget estimation* - Ability to accurately estimate project costs based on experience, industry benchmarks, vendor quotes and other relevant sources.
- *Contract management* - Confident in negotiating vendor contracts, ensuring competitive pricing and favourable terms.

COMMUNICATION / INTERPERSONAL

I am a keen collaborator and thrive in bringing people together to get the best creative solutions through meticulous planning and organisation. I use transparency and trust in building relations with clients and peers and am affable and approachable in my work manner but know when to be firm in order to achieve client expectations. My skills and experience have made me proficient in:

- *Problem solving* - Ability to think on my feet and troubleshoot technical issues and logistical challenges.
- *Leadership* - Strong leadership skills to motivate and inspire team members, delegate tasks and foster a collaborative and positive working environment.
- *Adaptability* - Flexibility to adapt to changing requirements, client and stakeholder feedback and industry trends.

CREATIVE

I have a strong, confident opinion in planning to the best possible creative outcome. With a keen eye for detail and a creative mindset, I excel in assisting others achieve their goals using my experience across multiple creative disciplines and the methods used within them.
