Personal profile

I am an enthusiastic and helpful individual who enjoys going above and beyond to contribute to the communities around me. I am not afraid of hard work, and my adaptability and self-motivation contributes to me being a fast learner. I enjoy interacting with other people, in both a social and professional setting. I have had experience working both individually and within a team and believe that my initiative enables me to succeed in both of these environments. I am able to work well under pressure and adhere to strict deadlines.

Qualifications

Qualification level	Subject	Grade
GCSE	Triple Science (Biology)	9
GCSE	Triple Science (Chemistry)	9
GCSE	Triple Science (Physics)	9
GCSE	English Literature	9
GCSE	English Language	9
GCSE	Mathematics	9
GCSE	History	9
GCSE	Photography	9
GCSE	Media Studies	9
GCSE	French	8

I studied my GCSEs at The Westgate School.

Qualification level	Subject	Grade
A Level	Film Studies	A
A Level	Biology	A
A Level	French	A

I studied my A Levels at Barton Peveril Sixth form college

I am currently studying for a Level 4 professional diploma in Directing and cinematography at the Creative media skills institute. On this course I have learnt valuable skills about cinematography, pre-production, post-production, and composition taught by industry professionals. This course has improved my time management and leadership skills as I am responsible for adhering to deadlines and ensuring that my ideas are conveyed while also listening to others.

Work Experience

I am currently employed at The Lookout café at Lepe country park as a food and beverage assistant

Main roles:

- Interacting with customers
- Processing customer orders on a till

- Preparing food and drink
- Serving food and drinks to customers

In my role as a food and beverage assistant customer service is very important. Working in this role has grown my confidence concerning customer service. I have developed my product knowledge and am required to deliver accurate and helpful information about all our products including helping customers with dietary requirements. I find helping and interacting with customers a very rewarding part of this role.

I have done online work experience with Tesco's F&F, in which I had to produce an example advert for their sustainable clothing brand this has helped me with my organisation and time management skills. It also aided my ability to plan projects

I have also volunteered as a youth football coach with Winchester city Flyers. Through this I aided a trained coach in a young girls football team. Through this experience, I planned training exercises, organised the players, and managed the team. This also improved my communication skills and ability to deliver instructions.

Hobbies

- One of my main hobbies is football. I play for the club Winchester City flyers. Playing football has contributed to my ability to work in a team. I have previously been captain of My club team, which has improved my leadership and confidence skills.
- I am very interested in film and filmmaking and spend a lot of my free time researching these interests and watching films. As part of my A level film studies course I had to produce my own short film. During this project I learnt a lot about creative processes. I researched heavily into lighting, especially lighting people. Through this research I discovered the 3 point lighting technique and tried to execute this as successfully as I could throughout the shoot using my limited equipment. I also learnt what it takes to plan, shoot, and edit a film to a deadline. I also learnt how to overcome challenges as I needed to do 2 re-shoots in order to attain sufficient footage for a short film of this length. This also gave me a better understanding of how much footage is needed for videos of certain lengths

Achievements

- having the role of Deputy Head Girl at my secondary school. I believe this exemplifies my ability to take on responsibility. In this role I led meetings with other senior prefects, and delivered speeches to other students
- I have received a commendation from my sixth form college for my participation in the open evening, in which I volunteered to represent my A Level subject of French to future students. At college I was also a student ambassador and represented the college in many events that involved interacting with students and parents and offering help.
