## PERSONAL STATEMENT & BACKGROUND

I am seeking work opportunities within T.V and Film. I have SFX, special occasion, editorial and bridal makeup expertise. My training has covered hair styling, textured hair, period hair, wig making, postiche and knotting.

I am fully flexible, available at short notice, have my own car, a clean licence and can drive myself anywhere within the UK.

I am very creative, competent, forward thinking and willing to approach any task at hand. I have worked at LFW and thrive in fast paced environments. I will become an asset to your team and I am excited to bring my creative flair on board, working confidently within a brief.
