Bristol

Personal Profile

I am currently 20 years old, I am highly motivated, quick to learn, extremely reliable and conscientious. I am a Creative Media and Technology student at City of Bristol College, this course enables me to build upon my keen interest in Media, in particular, Filming, Audio Work and Editing. I am committed to learning and practicing the skills required for a Career in the Creative Media Industry, I would benefit greatly from a new challenge within the immersive world of Media, Film and TV.

Key Skills

- Friendly, Punctual and Polite
- Patient and Effective Communicator

Work Experience

Sales & Customer Service Assistant, *Daily Morrisons* August 2023 –

Current

My main responsibilities are to serve customers to a high standard, ensuring customer satisfaction and experience. I work within a team to ensure the smooth and effective operation of the store. I am happy to take on additional work, such as, stock rotation and shelf-staking duties. I prioritise tasks in an effective manner and manage my time well.

Child-minder, *Mandy's Daycare*

March 2019

Work experience, where I helped to care for, educate and Safeguard young children. Helped in developing my professional confidence and interpersonal skills.

Documentary/interview filming and editing helper for refugee week at college green and other city of Bristol college campuses, during June 2024 (upcoming) for a documentary about two people from different country's and they're life stories on how they got to where they are today, it is upcoming after 3rd of June and I will be able a few others with filming and editing for the one-two weeks before refugee week.

Hobbies and Extra Curricular Activities

Editing of TV shows and Games for my Tiktok Account. Drawing & animation (learning to self teach myself animation slowly). Comic-cons, storyboarding,
