PRODUCTION ASSISTANT | LONDON

Email | richardsfilm4@gmail.com

Phone | 07368231745

I have worked as an Production Assistant for a Sky Arts documentary on the Nutcracker ballet, and have also directed small low budget independent films. I have a full UK driving licence with five years of driving experience and access to a car. I am solution focused and enjoy working as part of a team. I aspire to work in the production department and am open to develop my skillset in that field. Most importantly though, I am driven by a deep appreciation for storytelling and creativity, and I enjoy exploring innovative ideas and bringing them to life.
