

ROXANNE MAGUIRE- SCRIPT SUPERVISOR

07895 796819 - roxannekatemaguire@gmail.com

I am a former Senior Producer with 12+ years experience in unscripted TV and branded content. My credits span factual entertainment, observational documentaries, reality and podcasts. I've recently retrained as a Script Supervisor in HETV and Film, which was always a dream of mine. My experience thus far, including extensive knowledge of edit producing, has made me a reliable and confident Script Supervisor on set.
