## Camera Trainee

+44 (0)7983986597

catriona.strachan@hotmail.com

- Arri Alexa Mini LF & Sony Venice experience
- Can set up video village & manage monitors
- London based, will work anywhere in UK
- Full, clean driving license and own car

I am driven, focused, reliable, I work efficiently & quickly under pressure, and I use my own initiative. I'm creative, proactive, technically-minded and I thrive when working in a team. I'm a fast learner who is eager and ready to build on my experience and knowledge in the camera department.

## Other Relevant Experience

### Screenskills First Break Scheme | Hartwood Films | Aug 2021

I was selected for 3 weeks of work experience on the set of *Inside Man* with the sound, camera and lighting depts and subsequently was asked to join the camera team as a trainee.

### Media Technician | The Sixth Form College Farnborough | Aug 2020 - Sept 2021

Technician for the Media & Film department, assisting over 500 students. Led tutorials about cameras (Canon DSLRs), stabilisation, lighting, sound & editing, and assisted with coursework. Managed kit bookings & maintained filming equipment. Filmed regular YouTube tutorials & content for the college.

### Head of Media | Gordonstoun International Summer School | July - Aug 2019

Managed busy media team; coordinated media publication for social & web, liaised with lots of staff & managed diaries. Worked with the videographer & photographer and did some photography myself.

## Education

### University of Glasgow - Film and TV Studies & English Literature MA (Hons) 2.1 - 2019

Student productions include a documentary I directed about drink spiking which was awarded the prize for Best Group Work, and a short film which I was camera operator for.
