## ABOUT ME

---

Nice to meet you! I'm Heather, a curious designer and playful maker. I strive to tackle each new task with an optimistic approach, seeing everything I do as an opportunity to learn and think in different ways. I pride myself on my attention to detail, organisation and creativity

## SKILLS

---

### Soft Skills

#### Communication

Good presentation skills, confidence in selling ideas and openness when listening to feedback

#### Organisation

Successfully juggling study, part-time work, volunteering and extra-curricular activities

#### Attention to detail

Producing accurate and high-quality work, proof-reading final designs and identifying areas for refinement in the micro-details

#### Working well under pressure

As a designer, participating in industry set live briefs, adhering to tight deadlines and juggling many projects at once

### Hard Skills

#### Art Software Knowledge

Adobe Creative Suite;  
Photoshop, Illustrator, InDesign,  
Premier Pro, After Effects

#### Graphic Design

Branding and marketing, typographic and editorial design, website, social media and motion design; ceramics, book binding and laser cutting

#### Administration

Organising, planning, scheduling, writing emails, managing and categorising digital files

## WORK EXPERIENCE
