## Profile

A proactive and willing graduate with valuable experience using a variety of industry standard cameras and equipment, on a ScreenSkills accredited Film and Television Production course. I am very enthusiastic about any opportunities which will allow me to work within the industry alongside talented industry professionals, in order to gain further important experience as an aspiring filmmaker.

## Experience

### Delivery Colleague - Dunelm, Darlington and York

MAY 2021 – Present

My role at Dunelm as part of the delivery team has allowed me to develop useful communication and team-working skills. As well as this, dealing with customers on a day-to-day basis has taught me how much people appreciate someone who is friendly and approachable.

### Bar Back – Dr Inks, Darlington

MARCH 2018 – MAY 2021

This was my first job which required me to work long hours on my feet and taught me the importance of being proactive within a pressured environment.

## Education

### BSc Film and Television Production, University Of York

SEPTEMBER 2021 – JUNE 2024

I have recently graduated from one of the UK's globally recognised Russell Group Universities, achieving a **2:1 in BSc Film and Television Production**. My two favourite modules on the course were **Filmmaking** and **Advanced Cinematography**.

### A-Level Media Studies, Carmel College Sixth Form, Darlington

SEPTEMBER 2019 – MAY 2021

At college I studied maths, media and geography and received the following grades:

- Maths - **A**
- Media - **A**
- Geography - **B**

### Creative Digital Media Production, Carmel College, Darlington

SEPTEMBER 2017 – JUNE 2019

I also studied Creative Digital Media Production at secondary school and received an overall grade of **Distinction\***.
