- 20 years' experience of worldwide filming for major TV broadcasters and corporate clients
- Factual and dramatic reconstruction a speciality
- High degree of technical expertise and creativity
- Ability to think fast and improvise when plans go amiss
- CAA approved drone operator (PFCO certification)

***"I've worked with Mark on a number of international programme projects and his ability to maintain a superb standard of camera work in difficult and sometimes uncomfortable circumstances is outstanding. His ability to shoot to the highest quality on various formats, allied to versatility and speed, is a winning combination"***

Sally-Ann Wilson, President Commonwealth Broadcasting Association
