I worked as a bar manager for WOMAD festival this year on a cocktail bar, and again at the main stage bar at End Of The Road.

Freelance Video Editor

Feed the fire-Somerset
May 2024 to September 2024

I did some rough cut video editing for Feed the fire occasionally. We've done work for companies including Sanofi and Coke for various business/marketing videos.

Shop Assistant

Kilver Court-Somerset
July 2023 to December 2023

I was a key holder and ran The Wiggly Shed at kilver court. I sold plants, crockery, gifts, cider, and took garden entry payments. Although I was not technically the shop manager, I was the only person working in the shop, I opened and closed daily and was in charge of re-stocking cider and merchandise as well

as general upkeep of the shop. I moved over to work in the cafe over Christmas due to the quietness of the shop during the winter period, and then due to flooding, I permanently moved over to the cafe as we had to relocate the cafe into the Wiggly Shed.

Barista

Coffee#1-Frome

January 2023 to October 2023

I worked part time at coffee #1 as a barista. I became a key holder after a few months. This job involved taking orders, making coffees as well as hot food and cold drinks. I also did pot wash and cleaned at the end of a shift. This job was very beneficial for my people skills as we had a lot of regulars that i came to know quite well and it was a very friendly environment to work in.

Pizza Delivery Driver

DOUGH&co Woodfired Pizza-Frome

Deli Worker

Durslade Farm Shop-Bruton

March 2022 to August 2022

I cut, weighed and wrapped cheese, made coffees, made sandwiches, sliced meat and served customers. I worked 10 hour shifts so i had to be on the ball all day making sure i was working efficiently and helping customers as best i could. I learnt a lot about food and how to preserve certain dairy's and meats and my customer service skills throughly improved since having more responsibilities.

Cashier

Durslade Farm Shop-Bruton

December 2021 to March 2022

I was a cashier and worked on the shop floor restocking and cleaning. The area that i worked was well known for having a large amount of celebrities/important people so we were trained to behave accordingly when they came into the shop. I would pack peoples bags for them, offer to help them carry their bags to the car, help any customers looking for certain items, recommend items and always make sure the shop was fully stocked at all times.

Waitress

On The brook-Bruton

October 2017 to August 2021

I was a waitress and barista when the cafe had customers, if no one was there i would do prep in the kitchen (i.e. chopping veg, making cakes, preparing pancake batter etc.) This was my first job and it taught me from quite a young age how to speak to customers correctly. I built a good relationship with my bosses as i was consistently hard working and on time and really enjoyed what i was doing.
